PRIVACY POLICY

1. General Information & Data Controller

This Privacy Policy determines the procedure for processing and protecting personal data of users (hereinafter — User) of https://rextextau.com website (hereinafter — Website). The Data Controller responsible for your personal data is the Operator of this Website.

2. Categories of Processed Data

The Operator processes only the following categories of personal data:

- **Automatically Collected Data (Metric Data):** Cookies, IP addresses, browser type and version, device type and screen resolution, operating system, language settings, referral source, and user behavior on the site (including session recordings via the Webvisor feature). This data is collected using a third-party web analytics service "Yandex Metrica".
- **Blog Subscription Data**: email address, collected via the subscription form on the Website operating on the basis of the follow.it service.
- **Data, Voluntarily Provided to Operator:** When you initiate contact via email or messaging platforms, you voluntarily provide your name (or pseudonym), email address, phone number, messenger account ID, and any other information contained within the text of your message regarding your inquiries or commercial requests.

3. Legal Basis and Purposes of Processing

- **Consent (Art. 6(1)(a) GDPR):** Processing of cookies and metric data is based on the consent provided via the Cookie Banner. Purpose: statistical research, analyzing user interaction with the Website, and improving its functionality.

© Volsky G. D., 2026 | All rights reserved

- **Consent (Art. 6(1)(a) GDPR)**: Processing of subscription data is based on the consent provided by filling in the subscription form on the Website and subsequent confirmation by email (double opt-in). Purpose: informing the User about new blog posts (informational newsletter). The User may unsubscribe at any time via the link included in every newsletter email.
- **Performance of a Contract / Pre-contractual Steps (Art. 6(1)(b) GDPR):** Processing of data from inquiries (email/messengers) is based on the user's voluntary action of sending a message. Purpose: processing incoming requests, maintaining communication, providing information about the Operator's products, and conducting pre-contractual negotiations concerning the granting of software (software products) licenses and the provision of services.
- **Legitimate Interests (Art. 6(1)(f) GDPR):** Processing of technical data to ensure the security, proper operation, and stable performance of the Website.

4. Data Transfers and Third Parties

- **Analytics:** Metric data is transferred to and processed by Yandex LLC (OGRN 1027700229193, 16 Lva Tolstogo St., Moscow, Russian Federation) acting as the data processor on behalf of the Operator. Data is stored on servers located within the Russian Federation.
- **Blog Subscription:** Subscription data may be processed on behalf of the Operator by the follow.it service (rights holder — Inisev Ltd., reg. no. C78013, 6, RJV (Suite 39), Mdina Road, Balzan BZN 9031, Malta). The service's servers are located outside the Russian Federation; therefore, cross-border transfer of personal data takes place to foreign states that are parties to the Council of Europe Convention for the Protection of Individuals with regard to Automatic Processing of Personal Data of 28 January 1981 (in particular, Malta). Processing is carried out in accordance with the service's privacy policy (https://follow.it/info/privacy). The Operator does not store subscription data.
- **Email Hosting & Processing:** Personal data received via the domain email is processed under a data processing agreement with the lite.host email hosting provider, whose rights holder is Individual Entrepreneur Rusachenko Evgeny Sergeevich (OGRNIP 316392600058644, TIN 390509071426, Kaliningrad, Batalnaya St., 69V, apt. 95, Russian Federation). Data storage and processing are carried out on servers located within the Russian Federation.

- **Messengers:** Data sent via third-party messaging platforms is subject to the respective privacy policies of those platforms, which may involve cross-border data transfers.

5. Data Retention Periods

Personal data is not stored indefinitely and shall be destroyed within the following timeframes:

- Metric data (Yandex Metrica) — until the analytics goals are achieved (but no longer than 24 months from collection) or until the consent is withdrawn by the user.
- Subscription data (email address) is processed by the follow.it service until the User unsubscribes from the newsletter or withdraws consent. The terms and procedure for deleting data after unsubscribing are determined by the follow.it service in accordance with its privacy policy (https://follow.it/info/privacy). The Operator does not store subscription data.
- Data from inquiries (emails/messages), including pre-contractual data regarding software licensing and service requests — until the communication regarding the user's request is completed, pre-contractual negotiations are finalized, and all related obligations are fulfilled, or until the consent is withdrawn.

6. Your Rights Under GDPR

As a data subject, you possess the right to access, rectify, restrict, or erase your personal data, as well as the right to data portability and the right to object to processing. To exercise your rights or withdraw your consent, please send a request to: meet@rextextau.com. You may unsubscribe from the newsletter at any time via the link included in every newsletter email (sent via the follow.it service).

7. Final Provisions

This Privacy Policy is subject to updates by the Operator in case of changes in legislation or data processing procedures. The new version becomes effective upon publication on the Website. The current version is always available via the link on the Website.
